

GREEN CLUB
GOVERNMENT COLLEGE OF TECHNOLOGY
ACTIVITY REPORT

Green club is initiated with the view of promoting research and development in green engineering concepts and energy conservation activities in and around the campus. The club has also stepped in creating awareness among the students by turning them technically sound on new and renewable energies.

ACADEMIC YEAR 2013

- Received “GREEN CAMPUS OF THE YEAR-2013” award from Dr.Rangasamy , Chief Minister of Pondicherry on April 4th 2013 for the measures taken on environmental activities. Some of projects done by our students through Green Club
 1. Alternative product for wood
 2. Solar pocket cell phone charger
 3. Automated solar cooker
 4. Reducing E-wastage in the campus

- Enrolled in “TECHFEST CHALLENGE” organized by IIT-Bombay-2013 and placed 5th position in State level and 31st position in National level by participating in environmental problem solving tasks and organizing various awareness campaigns and competitions.
- Organised a National level Technical Symposium named “PRAKRITI” ,in the campus for Inter college students on “GREEN TECHNOLOGIES AND SUSTAINABILITY” concept and “SAPLINGS”, an Inter school event involving Science fair, environmental quiz ,sketching etc.The event

glorified starting with Chief Guest address by Dr.P.Sellamuthu , Director General, Indian Institute of Energy Management, Chennai and Industrial guest lectures from Omega and Equatech which had an entry of over 750 college participants and 500 school participants.

ACADEMIC YEAR 2014

- Organised a National Level Symposium , PRAKRITI based on the theme SUSTAINABLE GREEN CAMPUS EVENT.

ACADEMIC YEAR 2015

- Organised a National Level Symposium,PRAKRITI based on the theme ZERO PAPER EVENT

ACADEMIC YEAR 2016

- Organised a National level symposium-PRAKRITI bearing the motto “A No Zero Wastage Event” .Fun filled events motivating greener world and a workshop on “New Innovations for Sustainable event” by Dr.H.N.Chanakya.

Initiated a GREEN FARM to preserve nature opposite to the first year boys hostel in GCT.

ACADEMIC YEAR 2017

- Conducted a National level symposium “PRAKRITI-A ZERO PLASTIC EVENT“ for the school and college students.

- Organised a photography event “NATURA-GRAPHY” to promote the nature’s Divinity and to make everyone realize the Role of Engineers in the polluted environment on this special day “EARTHDAY”.
- On behalf of the WORLD POPULATION DAY , GREEN GLUB organised TREE PLANTING DRIVE in which pupil of GCT planted trees in five different plants around the campus. Chief Guest of this event was Piyush Manush, an environmental activist.

ACADEMIC YEAR 2018

- A National level Club symposium “PRAKRITI” based on the theme 100% WASTE SEGREGATION .An INDIA BOOK OF RECORDS authenticated for 100% waste segregation under the supervision of Dr.Rajendar Singh, Waterman of India.

- Initiated a social activism project ,“FOOD CONSERVATION ACT” for preventing the waste of excess food in GCT mess and provided the food to the needy people.
